

# Joe Taylor

## BIOGRAPHY

Joe is a singer and songwriter, originally from Toronto, who now calls New York home. "Soulful", "Evocative" and "Awe-inspiring" are words that have been used by fans and music critics to describe the Joe Taylor live experience. Joe is able to connect with audiences through his unique artistry, combining stellar songwriting, soaring vocals and stripped down instrumentation. His album "**Anything's Possible**," captured the magic and vibrancy of his live performances. Joe's latest album "**Follow The Trend**" already has people buzzing especially on the radio charts.
